A mutant has come out of the night and occupied the Palace. You must fight against the bloodthirsty undead in this amazing 2D platformer. League of Evil is a throwback to retro platformers. Therefore, we recommend that you turn on your retro emulator for the game to work properly. The game is intended to be played with a controller. However, we can't guarantee that it will work perfectly on keyboard and mouse. League of Evil Features Game Center - Help your friends to beat their records in Leaderboards The empire of darkness and the undead are rising once more and it's up to you to put an end to their reign and save the world. Don't miss this amazing retro platform game with beautiful graphics and addictive gameplay. Try to pass the stages by collecting all the coins and avoiding the monsters to defeat the boss. It's you against hordes of bloodthirsty enemies in this humorous platformer inspired by the classics of the genre. Be careful and avoid the traps and spikes to achieve the level goals, as it could be the last one to finish the game. You have 12 levels with different themes: Ice Age, American Land and the Jack In The Box. Have fun and good luck! Ready? Set! Jump! In League of Evil, you are a mutant whose origins are unknown. One day you've awakened and you've found yourself in a strange world full of monsters and bloodthirsty creatures! You will have to fight them all to save the beautiful world full of secrets and secrets! This is the world of the dark fantasy in which you are now a mutant hero. You must run, jump and be careful not to fall into deadly traps! Jump to the right, try to grab coins, avoid traps and climb up the ropes. You will have to avoid the bloodthirsty enemies and the spikes. You will be able to take new levels and improve your abilities by using power-ups such as the fireballs or teleport. It's your mutant destiny to finally save the world from the darkness! How to play League of Evil Move with the left mouse button and jump with the right one. Press the spacebar to dash. In power-up challenges, press the right mouse button, and you will be able to use them. If you are low on health, press the life meter. Press the spacebar to go back, and the right mouse button to activate the power-ups. In Boss
