Once people have mastered that, the next step is creating a business plan. Unfortunately, many people get stuck there and never seem to be able to pick the business up again. All of that said, I thought we would take a quick look at the last week's worth of beer news to see what the biggest trends are in the Craft beer industry. Aaron Schurman by Aaron Schurman Best Beer in America As we previously reported, this week, the Brewers Association announced that California was the best state in America. This of course is based on California's growth as well as Utah's amazing craft beer scene. The two beers that best represent the Golden State has to be the 0cc13bf012
